PRELIMINARY AMENDMENT

Assistant Commissioner of Patents
Washington, DC 20231

Dear Sir:

This preliminary amendment is submitted with a request for a continuation application of prior US application No. 08/574,537, filed on December 19, 1995.

In the Claims:

Please cancel claim 1 without prejudice or disclaimer.

40. (New) A method of communicating data units over a wireless network between a client communication unit and a host device via a communication server, the method comprising, at the communication server:

filtering data units based on a first set of user-selected criteria to produce filtered data units;

communicating the filtered data units to the client communication unit;
